

SALTAIRE LIVING ADVENT CALENDAR 2016

The Saltaire Living Advent Calendar has been a feature of our village since 2006, with one new window 'opened' (4pm - 10.30pm) each evening from the 1st December to 24th December and all remain lit until 5th January. With 11 houses and community buildings illuminated from 1 December, it is well worth a walk around the windows from the very beginning.

As usual, there's plenty happening in Saltaire in the run up to Christmas. The Saltaire Visitor Information Centre puts together a listing and in particular we would like to draw your attention to the Christmas Tree lighting on Sunday 27th November 4pm at Victoria Hall. The event includes a number of stalls featuring local community groups.

Do join us strolling around the streets of Saltaire and enjoy each window as it opens. Each window "opening" will also be displayed on the Saltaire Village website and on Facebook with snippets of information about the design and designers.

Edward St Bakery are delighted to be sponsoring the Living Advent Calendar again in 2016.

Edward St Bakery is a craft bakery based in Saltaire set up by Jeremy Belsten and Lisa Fraser. We bake at 6 Edward St, where we have converted the downstairs of our house into a fully functioning bakery. Currently we open to the public for pop up bakery events and supply various businesses with bread, cakes, pies, and all that happy jazz. You can follow us on Twitter for updates @edwardstbakery.

Peace & Christmas love to all.

Saltaire Inspired is a volunteer-led charity organising community produced arts events in unique spaces in Saltaire. As well as Saltaire Living Advent Calendar, our annual events programme includes Saltaire Arts Trail in May and a Makers Fair in September, as part of Saltaire Festival.

WHEN AND WHERE TO FIND US...

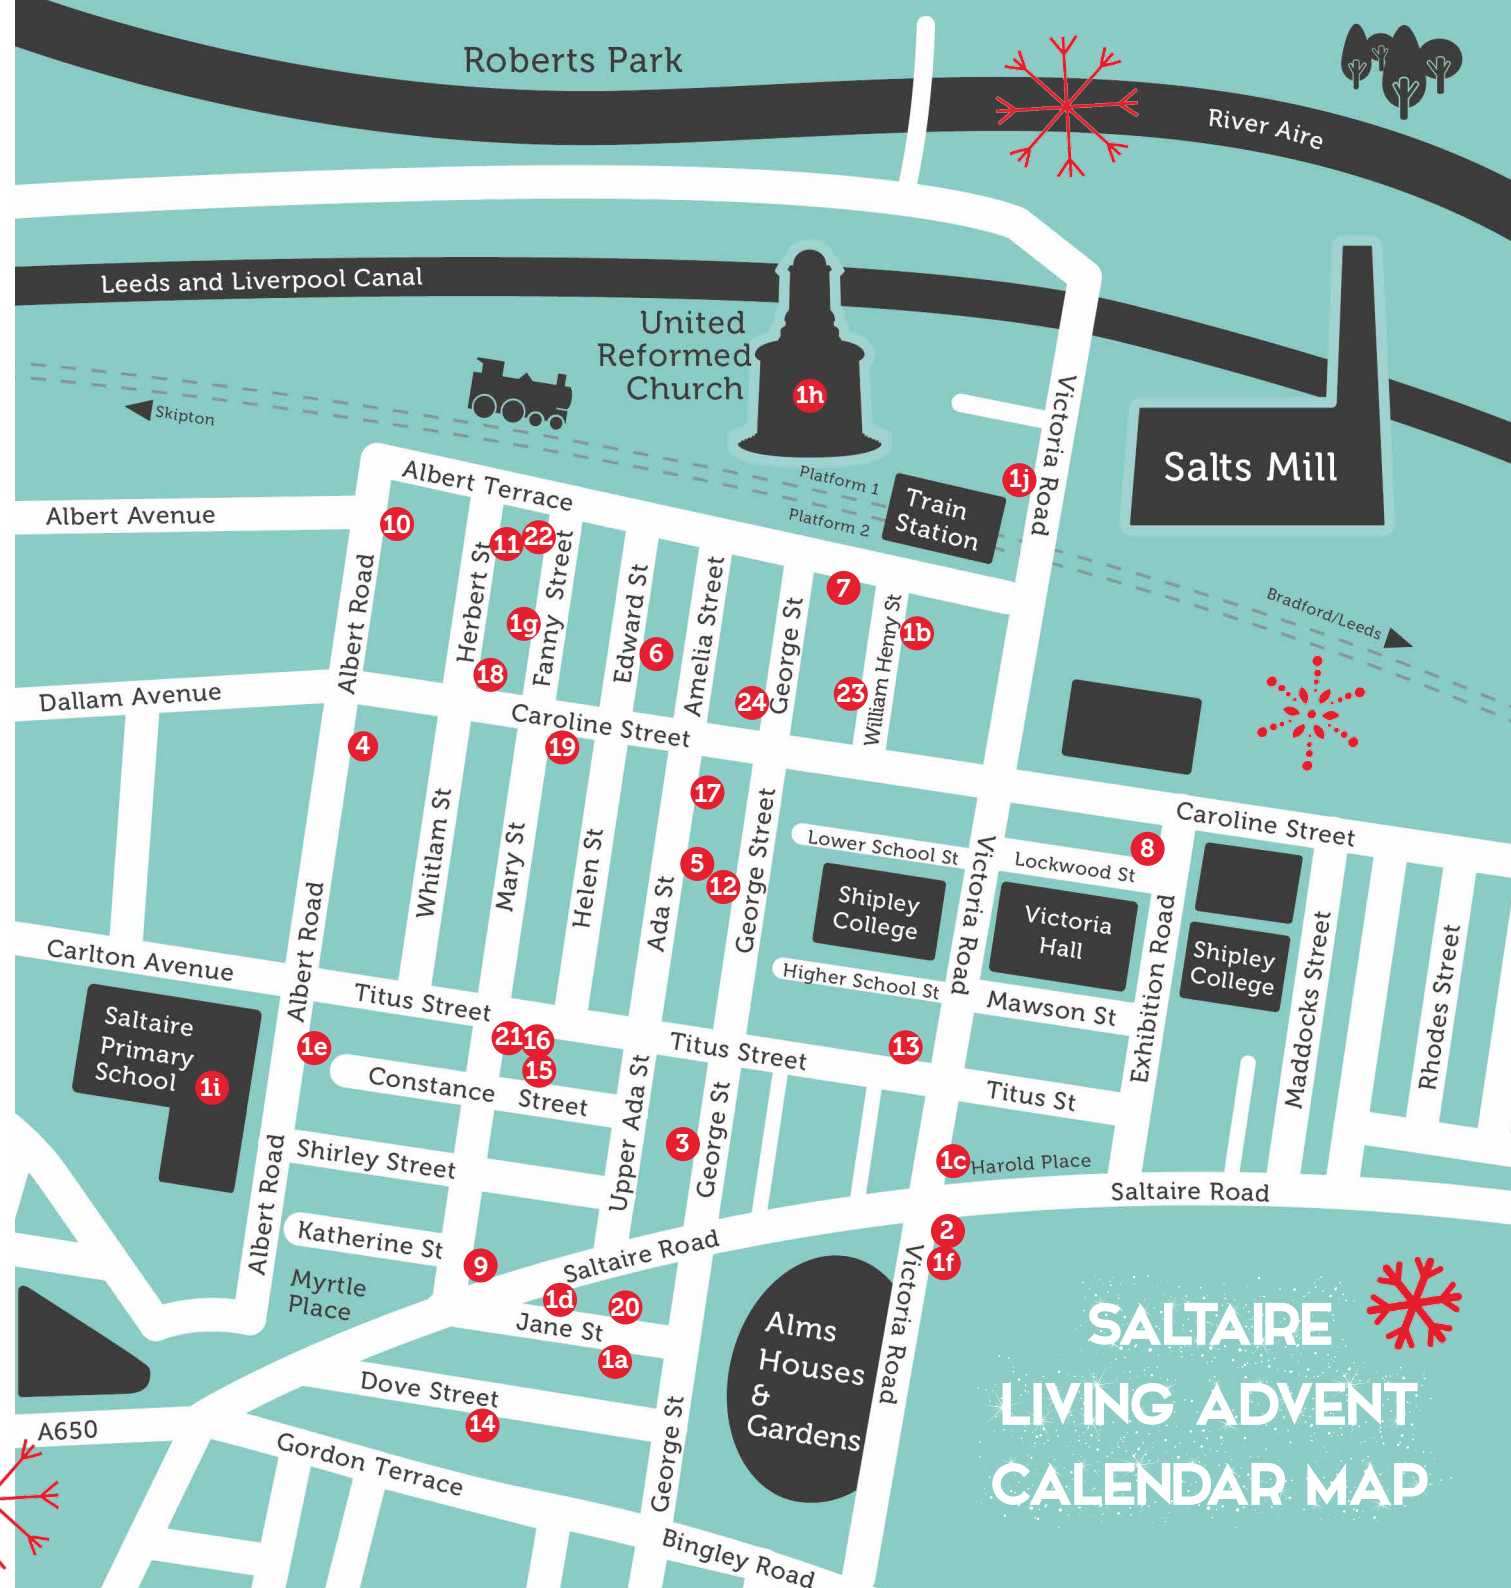

Windows from around the village will be illuminated with festive scenes. One new scene will be 'opened' each evening (4pm to 10.30pm) from the 1st to the 24th December - the numbers in the red circles are dates in December. All windows will then remain lit until 5th January.
