

Saltaire Living Advent Calendar 2020

The Saltaire Living Advent Calendar has been a feature of our village since 2006. This year 16 houses and community buildings will be illuminated from 1st December (4pm - 10.30pm), then at least one new window will be 'opened' each evening until 24th December, and all 55 windows (a record for us!) remain lit until 1st January.

Join us strolling around the streets of Saltaire and enjoy each window as it opens, but please do so in accordance with government guidelines at the time of your visit. We are delighted to be able to continue with this event as usual, but ask that visitors take responsibility for enjoying the windows with the safety of themselves and others in mind.

As always, for those who can't visit in person, each window will also be shared on our social media accounts with snippets of information about the design and designers.

Special Commission & Partnerships

LOOK UP! by Ben Holden @bjthebear
Open from 1 Dec at Salts Mill

NEW FOR 2020! Our specially commissioned window by local artist Ben Holden (bjthebear.com) was inspired by the beautiful stained glass windows of Saltaire and their advent displays, Salt's Mill, the surrounding landscape and heritage.

Six new, bold & unique contemporary designs illuminated by Salt's Mill at night for you to enjoy as a seasonal celebration of colour, light and brighter times ahead.

A limited edition digital print of LOOK UP! Is available through Saltaire Virtual Makers Fair in support of NHS Better Lives, the official charity of Bradford District Care NHS Foundation Trust.

Hosted Windows for our Swedish and UK partners

We are delighted to be hosting a window (18c on map) by our friends at Rydals Museum in Sweden. Rydals museum was formerly a mill and in 2019 we formed a partnership with them to help them create their own Living Advent Calendar. We have in turn designed a window for their 2020 event.

We are also excited to present two windows by Cactus Crew - a Youth Enterprise group run by our friends at Spongetree as part of Ignite Yorkshire. The Cactus Crew's windows are at locations 18a and 18b on the map.

The Stromness Community Development Trust in Orkney have been inspired by Saltaire to run their own Living Advent Calendar for the first time, and have also created a window for us to share - see location 18d. We are also sending a window to Stromness and are thrilled to be involved!
