

Trustees

Saltaire Inspired celebrates diversity and our aim is for our team and activity to be as inclusive as possible, as well as representative of the communities we serve. With this in mind, we welcome and encourage applications from people of all backgrounds. We are committed to continue to build an inclusive environment that embraces diversity.

Context:

Saltaire Inspired is an ambitious visual arts charity, creating high-quality contemporary arts events in the unique setting of the UNESCO World Heritage Site of Saltaire. We aim to celebrate and promote its heritage and culture as well as the artistic talent that can be found in Saltaire, Bradford and beyond, inspiring and enabling people of all ages and backgrounds to experience and participate in the arts, forming communities through creativity.

We deliver three core annual events: the Saltaire Arts Trail in May, the Maker's Fair in the autumn and the Living Advent Calendar in December, with other project-based activities as funding allows. We use Saltaire's public heritage buildings and private homes as venues in order to encourage and reach out to new audiences and communities, and to attract artists to exhibit and respond. We also provide creative learning experiences by offering free workshops and drop-in sessions.
